SETTLEMENT AGREEMENT

This settlement agreement (the “Agreement”) is made and entered into by and between Klamath County (the “County”), the Keno Rural Fire Protection District (“Keno Fire District”), Collins Products LLC (“Collins”), and Klamath Energy, LLC (“Klamath Energy”) (collectively, the “Parties”). The effective date of this Agreement is November 1, 2018.

RECITALS

1. On August 30, 2017, Collins petitioned the County for annexation of several parcels of land into the Keno Fire District (the “Petition”). On March 27, 2018, the County approved the annexation (the “Annexation”), issuing an order annexing these parcels into the Keno Fire District. The Parties later discovered the annexation would include two parcels of land subject to long-term lease agreements between Collins and Klamath Energy (the “Parcels”). The Parcels are included in the description of land attached as Exhibit A.

2. On April 26, 2018, Collins sought to amend the Petition, requesting that the County de-annex the land described in Exhibit A from the Keno Fire District.

3. On or about September 11, 2018, Klamath Energy provided timely notice of a potential tort claim to the County and Keno Fire District.

4. In October 2018, the County sent Klamath Energy a property tax bill for the period July 1, 2018 to June 30, 2019 that did not include an assessment for the Keno Fire District. On or about November 13, 2018, Klamath Energy tendered to the County a check in full satisfaction of its 2018-2019 bill.

5. In order to avoid the expense, burden, and uncertainty of litigation, the Parties have agreed to settle their dispute relating to the Annexation according to the terms of this Agreement. The terms of this Agreement are expressly conditioned on the deannexation of the Parcels.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual terms, conditions, and promises set forth below, the Parties agree as follows:

1. Deannexation. The County agrees to deannex the Parcels from the Keno Fire District by June 30, 2019, or as soon as practicable, but not later than July 1, 2020. Klamath Energy, the Keno Fire District, and Collins agree to reasonably cooperate with the County in the deannexation process. The Keno Fire District consents to the deannexation as requested by Collins. All parties anticipate that with reasonable cooperation by the Klamath Energy, the Keno Fire District and Collins, the County will deannex the Parcels by the dates specified herein.

The County represents it has received an application in proper form from Collins and proper consent from the Keno Fire District, and does not anticipate any further acts by Collins or the Keno Fire District are necessary. If further acts are necessary as determined in good faith by the
parties, Klamath Energy, the Keno Fire District, and Collins agree to reasonably cooperate with the County and each other. If such cooperation is not forthcoming, the County will nevertheless make best efforts to initiate deannexation of the Parcels by April 11, 2020.

2. **Payments and Tax Assessment.**

2.1. Klamath Energy agrees to pay Keno Fire District the amount of $50,000 within fourteen days of the deannexation in consideration for Keno Fire District’s agreement with Klamath County Fire District #1 to meet the fire protection needs of the Parcels throughout 2018. In addition, Klamath Energy agrees to pay Keno Fire District for legal fees and other costs associated with the Annexation, not to exceed $10,000, upon submission of appropriate receipts and invoices. Keno Fire District must submit an invoice, a new vendor request form, and provide Klamath Energy with a correct taxpayer identification number on a Form W-9 before any of the above payments will be made.

2.2. Klamath County will not issue a revised July 1, 2018 to June 30, 2019, tax bill to Klamath Energy with an assessment for the Keno Fire District.

2.3. Klamath County will not issue a July 1, 2019 to June 30, 2020, tax bill to Klamath Energy with an assessment for the Keno Fire District.

3. **Mutual Release.** The Parties hereby each release and forever discharge each other from any and all claims, demands, actions, suits, causes of action, debts, accounts, or controversies of any nature whatsoever, known or unknown, which exist as of the effective date of this Agreement, that arise from or out of, directly or indirectly, the claims, injuries, or damages relating to the Annexation. This release is intended to apply to the Parties’ insurers, owners, servants, officers, agents, principals, directors, employees or former employees, attorneys, successors, and assigns. The consideration for this release is the mutual release of the Parties, and the performance set forth in this Agreement.

4. **No Admission of Liability.** The Parties agree that this Agreement reflects a compromise of disputed claims and defenses. Neither this Agreement nor its performance may be construed or interpreted in any way as an admission of liability on the part of any party.

5. **No Assignment.** The Parties warrant and represent that they each respectively are the sole and exclusive owner of all claims and causes of action that are the subject of this Agreement; that they have not assigned an interest in such claims to any other person, party, or entity; and that they have the sole and exclusive, unqualified right to give the releases and make the agreements, covenants, and representations that are set forth in this Agreement.

6. **Performance of Additional Acts.** Each party agrees that it shall execute and deliver any and all documents and perform any and all acts required on its part or those which may be reasonably necessary to effectuate and complete and facilitate the provisions of this Agreement.
7. **Entire Agreement.** This Agreement is the final and complete integration of the agreements between the Parties regarding the subject matter it addresses. The terms of this Agreement may not be modified except by a further written agreement signed by all Parties.

8. **Construction.** The rule of construction that an agreement is to be construed against the drafting party is not to be applied in interpreting this Agreement.

9. **Counterparts.** This Agreement may be executed in one or more counterparts, all of which taken together shall constitute one and the same instrument. This Agreement may be executed by facsimile or electronic signatures, each of which will be deemed an original.
