12. Commissioner Reports

Commissioner Morris: Was in Washington DC last week for the NACo Legislative Conference, serves on a couple committees, was also a great time to advocate with Oregon Delegation regarding Kindsley and their future missions.

Commissioner DeGroot: Was also in Washington DC last week for the NACo Legislative Conference, alot of information was presented, will be following up on some of
that and bringing to the Board. Couple of highlights is the 2020 Census and local committees that Counties are being asked to form, and rural Broadband upgrades. Additionally continues to advocate for SRS/PILT funding. Alot of issues around workforce development and Veterans, State of Oregon is doing well regarding our Veterans compared to the rest of the nation. Was in Salem Yesterday for Association of Oregon Counties, would like to support HB3030: allows for spouses of active military to have reciprocity licenses (teacher, health care etc.) to be able to work in Oregon while their on Order in Oregon; HB3082: Conducts seepage study in the Klamath Basin; HB3061: transfer of property for Broadband (City of Merrill assett); HB3213: regarding safety corridors on County Roads, will be talking to Public Works Director and the Sheriff about what we can do; HB3110: Rural service center funding and HB2982: clean up of abandoned property, ability to evict squaters.

Commissioner Boyd: Met with "Coalition of the Willing" in Redding last week with Alan Mikkelsen on water issues, Klamath Tribes showed up on Thursday and now everyone is involved, that's great. Met with WRD in Salem yesterday, water looking good for this upcoming season, but our ground is dented, may not be as good as we all think, still should be ok. Additionally talked about cost to repair Keno dam and what may happen to that dam. Keno dam provides irrigation to lower refuge and project, it also has affect on the environment with City and the Lake. We all need to be paying attention to what the Bureau of Reclamation through KHS will be doing with the Dam.
