13. Commissioner Reports

Commissioner DeGroot - Last week was jam packed with meetings, nothing to report, more just information gathering as we work towards keeping things moving in Klamath. He met with a Siskiyou County Commissioner about ways we can collaborate better. He had alot of discussions about water. He wished Happy Mother's Day to his wife and all the moms. He was in Salem yesterday, there are alot of good things happening and there was some good movement on bills around the work he's doing to help veterans. He has a great discussion yesterday as counties all across the country continue to ask questions about the effects of Kratom and whether or not there should be policies in place.

Commissioner Boyd - He thanked Commissioner DeGroot and Commissioner Morris for representing the County at the AOC meetings in Salem. He has been working on his talk that he will be doing around the County about the budget. He met with Jeremy Player from
DHS, they are going to put a coalition together of the providers and organizations that are doing similar things to DHS so they can try to focus their efforts. In the past there was a coalition and they will be putting it back together to hopefully work with a more targeted effort to better serve our under served members of County.
