Total	899	22

Hospitalized‡	Cases
Yes	204
No	538
Not provided	157
Total	899

†County of residence for cases may change as new information becomes available. If changes occur, we will update our counts accordingly.

*For additional details on individuals who have died from COVID-19 in Oregon, please [refer to our press releases](#).

‡Ever hospitalized, if available.

Notes:

1. Because community transmission is occurring in Oregon and recommendations on [social distancing](#) are in place, as of March 17, 2020, we no longer report daily counts of persons under monitoring.
2. Confirmation by CDC of laboratory results from the Oregon State Public Health Laboratory is no longer required; therefore as of March 15, 2020, we no longer note the number of CDC-confirmed cases.
3. Reporting of travel history is not available for cases reported to OHA by commercial laboratories; therefore as of March 15, 2020, we no longer include information about travel history.
4. As of March 26, 2020, OHA is releasing the daily Situational Status Report, which is produced jointly with [Oregon Office of Emergency Management](#). It

details the overall picture of the COVID-19 response across government agencies.

- Previous Situational Status Reports are posted on [OHA's COVID-19 News page](#).

Specimens received at OSPHL on 4/2/2020	79
Test results released by OSPHL on 4/2/2020	54
Specimens pending at OSPHL as of 8:00 p.m. 4/2/2020	58
Total persons tested for COVID-19 at OSPHL since 2/28/2020	2,413
<i>Total persons tested at other laboratories</i>	<i>15,021</i>
<i>Total persons tested</i>	<i>17,434</i>

Notes:

As of March 25, 2020, we are including the number of pending test results available from the Oregon State Public Health Laboratory (OSPHL). The OSPHL serves as the first source of testing during an outbreak and as commercial labs come online, OSPHL increases focus on priority testing. Commercial labs have the ability to conduct testing on an industrial scale, but do not report pending results, therefore we only include pending results from OSPHL.
