Oregon reports 409 new confirmed and presumptive COVID-19 cases

PORTLAND, Ore. — The state's death toll from COVID-19 is unchanged from yesterday and remains at 232, the Oregon Health Authority reported at 12:01 a.m. today.

Oregon Health Authority reported 409 new confirmed and presumptive cases of COVID-19 as of 12:01 a.m. today, bringing the state total to 11,851. Today's high number is partially due to a transition to a new reporting system, which prevented the processing of positive cases for a few hours Thursday. Those cases are included in today's case count.

The new cases reported today are in the following counties: Baker (2), Benton (6), Clackamas (29), Columbia (1), Coos (2), Deschutes (15), Douglas (2), Hood River (2), Jackson (5), Jefferson (4), Josephine (3), Klamath (4), Lane (13), Lincoln (1), Linn (2), Malheur (16), Marion (61), Morrow (7), Multnomah (99), Polk (2), Sherman (1), Umatilla (50), Union (1), Wallowa (1), Wasco (10), Washington (55), Yamhill (15).

Since Oregon began reopening, we have seen spread of COVID-19 when people get together to celebrate with family and friends. Some examples include:

- Graduations
- Birthdays
- Weddings
- Holidays

COVID-19 is spreading more among social activities involving groups of younger people. OHA has recorded outbreaks linked to:

- Exercise classes
- Fraternity party
- Bachelor party

While it is difficult not to celebrate these events as we have in the past, COVID-19 is spreading in our communities and people must think hard about altering daily routines that may put people at risk.

OHA recommends that everyone:

- Limit the size of our gatherings
- Keep our distance

- Cover our faces
- Find alternative ways for those who are vulnerable to participate.

¹This includes cases confirmed by diagnostic testing and presumptive cases. Presumptive cases are those without a positive diagnostic test who present COVID-19-like symptoms and had close contact with a confirmed case. County of residence for cases may change as new information becomes available. If changes occur, we will update our counts accordingly.
