

## Klamath County with Discover Klamath and South Central Oregon Economic Development District

Presents:

# Klamath County Grant Orientation

Learn about grants offered by Klamath County and how to apply for them successfully.

**10/16/2017**

**9:00 am (Tourism) & 10:30 am (Economic Development)**

Klamath County has established a Tourism Grant Program to assist in promoting tourism in Klamath County. Tourism Grants are for out of county promotion of events in Klamath County. The Board of Commissioners looks for projects that offer special or unique opportunities. Projects should identify a specific target market and offer a specific strategy for reaching this market.

Klamath County has established an Economic Development Grant Program to assist local organizations in furthering economic development in Klamath County. The Board of County Commissioners looks for projects that offer special or unique opportunities consistent with local economic development goals and objectives. Projects should identify a specific project and indicate how that project will further economic development.
