**BOARD OF COUNTY COMMISSIONERS
PRESS RELEASE**

Contact: Rafael Hernandez, Tax Collector / Property Sales 541-883-4297.

Klamath County forecloses on properties for nonpayment of taxes. During certain times of the year, we offer them for sale at public auction or through a private sealed bid process. We list these properties on our County website as well as the Herald and News for 4 consecutive weeks before the sale date. We do not use other methods of advertising our sales. This week we found out that three of the properties we foreclosed and are scheduled for sale at public auction have been listed on Craigslist. We would like to warn the public that this is a scam as Klamath County does not list properties for sale on Craigslist.

For more information contact bocc@klamathcounty.org or call 541-883-5100.
