**BOARD OF COUNTY COMMISSIONERS
PRESS RELEASE**

For Immediate Release:

On May 17, 2016, the voters of Klamath County approved the formation of the Klamath County Predatory Animal Control District.

“The people of Klamath County have decided they want to take up the issue in a permanent way by forming a district. Citizen involvement is the key to success for any district. The board is excited for people to step up and volunteer to serve in this capacity, when volunteers get involved in service, the whole effort improves” Said Commissioner Morris

The Klamath County Board of Commissioners are asking those interested in serving on the Predatory Animal Control District Board to fill out an application. Applications are available online www.klamathcounty.org or contact the Commissioner’s office 541-883-5100 by June 30, 2016. The Board expects to appoint members in July.
