REPAIR PERMIT

FEES

Major Repair (drainfield repair and/or tank replacement)	\$635.00
Minor Repair (tank replacement)	\$356.00

(Fees for Commercial Facilities, please contact this office for current fees.)

A site visit may be necessary prior to permit issuance. Any work on the sewage disposal system must be performed by a **LICENSED INSTALLER** or the property owner.

1. Provide a Tax Lot Map (map may be obtained from the County Assessor's).
2. Provide a detailed plot plan, showing the location of all buildings, well, driveways and roads, existing septic system, proposed septic system. Ensure all applicable setbacks and distances are shown on the detailed plot plan.

When the repair is complete, submit an "Inspection Request" to Klamath County On-Site Sanitation. Our office will inspect the system within seven days from the date of receiving the inspection request.

If no corrections are required, the system may be covered.

A certificate of Satisfactory Completion will be mailed to you.
