Question 20 words which plainly phrases the chief purpose of the measure

Shall District impose $.08 per $1000 of assessed value for general operations for five years beginning 2014-2015? "This measure may cause property taxes to increase more than three percent."

Summary 175 words which concisely and impartially summarizes the measure and its major effect

The Klamath 911 Emergency Communications District will use the tax revenue from this measure to fund one Operations Manager and up to 5 additional Emergency Call-takers and Dispatchers, to enable appropriate operations of the District during peak times addressing the needs of our public safety partners, replace aging equipment, and replace depleted reserves.

Without this additional revenue the District must continue to operate at minimum staffing even during higher volume times, will not be able to replace aging equipment until it actually fails, and will not have adequate reserves.

The proposed rate will raise approximately $342,400 in 2014-2015, $337,600 in 2015-2016, $334,400 in 2016-2017, $330,471 in 2017-2018, and $326,963 in 2018-2019, for a total of $1,671,834.
