KLAMATH FALLS CITY SCHOOLS' LOCAL OPTION FUNDING REQUEST

**Question** 20 words

Shall the District levy \$0.50 per \$1000 tax assessed value for three years starting 2013-2014 for operations and textbooks? This measure may cause property taxes to increase more than three percent.

**Summary** 175 words

This measure would authorize the District to levy a property tax in the amount of \$.50 per \$1000 of assessed value each year for three years. The funds would be used to help finance hiring additional teachers and replacing textbooks. Without the additional revenue, the District would have to increase class size and forego adding elective classes. This three-year local option tax would start July 1, 2013, and is computed each year at a rate of .50 cents for each thousand dollars of assessed value.

An estimate of the total amount to be raised each fiscal year is:

2013-2014 \$890,000  
2014-2015 \$890,000  
2015-2016 \$890,000

Three-Year Jail Operations Local Option Tax

**Question** 20 words

Shall Klamath County tax 40 cents per thousand of assessed value for three years for jail operations beginning in 2012-2013? This measure may cause property taxes to increase more than three percent.

**Summary** 175 words

The Community Public Safety Advisory Committee, a group of local citizens and policymakers, reviewed public safety concerns within the community and recommended a three-year local option tax to fund operations at the Klamath County Jail. A home assessed at \$100,000 would pay \$40 per year for this levy. This levy would fund operation of "B pod" at the Klamath County jail for three years. The proposed rate will raise approximately \$1,600,000 in 2012-2013, approximately \$1,600,000 in 2013-2014, and \$1,600,000 in 2014-2015 for an estimated total of \$4,800,000. The figures above are ESTIMATES ONLY, based on the best information available from the County Assessor at the time of estimate.
