

# Commission on Children & Family

## Significant Changes 2012-2013

- **Legislative Changes:**

- HB 4165 eliminates local County Commissions as of June 30, 2013 transitioning to the Early Learning Council (ELC).

- **State of Oregon Budget**

- There are no significant changes to the State budget that impacted the department budget.

- **Safe Schools/Healthy Student Grant:**

- Grant might be available for an addition year. If this happens the Commission will be able to continue the parenting program at .5 fte instead of the current 1.0 fte. If not funded administration expenses currently paid with this grant will be taken out of the contingency line.
