

# **Law Library**

## **Significant Changes 2017-2018**

- **The law library has switched to a system that prints directly from a leased Ricoh photocopier. Line item 6602 has increased to \$2,053. This will be offset by a marked reduction in printer toner for desktop printing. New court forms are lengthier and the packets for pro se litigants have increased in the number of pages per packet.**
- **Court fees have increased slightly to allow for an additional 1 hour of public service per week, 52 hours per year.**
