Significant Changes 2017-2018

- **For 2017-18, the Court anticipates only one clerk in a 1.0 FTE position. Court hours are M-Fri, 8-4:45 p.m. The Court may consider use of interns or return to work programs for part time employees in the future.**
- **2012 saw first “Clean Slate” program utilized which resulted in some additional funds. The Clean State program may be offered again in 2017 in May/June. Collections and reinstatement programs are working well to get drivers licensed and their fines paid.**
