Re: **New Positions Request – DDS**

Date Scheduled for Administrative Meeting: June 22, 2021

On behalf of Myles Maxey, DDS Director, we are seeking your approval for the creation of a Lead Eligibility Specialist Position.

This position would lead the KCDDS Eligibility Team. This would include responsibilities around training of other eligibility staff, creating and maintaining policies, procedures, and processes around eligibility, conducting Eligibility Team meetings, and preparing necessary reports and notification documents. These responsibilities will be in addition to the normal Eligibility Specialist responsibilities of completing eligibility intakes, review records received, ordering psychological testing, and making eligibility determinations for individuals seeking services through KCDDS.

We would like to create this as a Local 737 represented position at Grade LH 22 and promote Annette Van Riper, current DDS Eligibility Specialist, to this position upon approval from the board. Annette would move from LH 21 Step 7 (\$28.88) to LH 22 Step 8 (\$30.33), effective July 1, 2021. Her seniority date would not change. Annette's current position as DDS Eligibility Specialist will be posted for applications in July.

Local 737 has reviewed the new job description and approves of this change.

The department has the money in their budget for this position but will need to work with Finance on a budget resolution.

Suggested Motion: Hereby move to approve the request to create the new Lead Eligibility Specialist position within the Developmental Disabilities Services department as outlined above:

Re: **Position Reclass – Engineer I**

Date Scheduled for Administrative Meeting: June 22, 2021

On behalf of Jeremy Morris, Public Works Director, we are seeking your approval to reclassify the Engineer I from a UF25 to a UF27.

The Engineer I position has been vacant, however, the department has a need to fill this position, but would like to reclassify it in order to be competitive with other employers. Currently, the position is classified as a UF25, which is the same paygrade the Engineer Aide III is classified in. The department is requesting to reclassify the position to a UF27 and post for recruitment.

The department has the money in their budget.

Suggested Motion: Hereby move to approve the request to reclassify the Engineer I from a UF25 to a UF27 as outlined above:

Subject: Oregon Living With Fire (previously Central Oregon Cohesive Strategy Initiative) revised MOU
Date: Tuesday, June 15, 2021 8:03:08 AM
Attachments: [FOUR COUNTY OLFW MEMORANDUM OF UNDERSTANDING .docx](#)

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Greetings, attached for the appropriate signature is a revised MOU between Crook, Deschutes, Jefferson and Klamath Counties.

What is different? The first change is the removal of Lake County from the agreement, Lake County was such a miniscule portion of the landscape and a have a similar organization/program going, by mutual agreement Lake County has withdrawn from the agreement, resulting in a \$2,250 reduction in Oregon Living With Fire program costs; the second change was renaming the program from Central OR Cohesive Strategy Initiative to Oregon Living With Fire.

What remains? The amount of contributing dollars by each county remains the same; all the remaining language in the previous MOU, with the exception of the name change, NO changes.

The attachment reflects all legal review language from the previous MOU and Deschutes County Legal has reviewed for any updates and has approved the language.

The request is for each County (Crook, Jefferson and Klamath) sign the MOU and please return signed copies to me. I'll complete the process with County Administrator Tom Anderson and return a fully executed MOU to each of you.

Thanks for the continue support for Cohesive Strategy implementation in Central Oregon...
