Re: **Reclassification Request – PW County Engineer**

Date Scheduled for Administrative Meeting: May 11, 2021

On behalf of Jeremy Morris, Public Works Director, we are seeking your approval to reclassify Mike Zarosinski, County Engineer, from a UF34 Step 7 (\$8,399/month) to a UF36 Step 6(\$8,655/month).

The reclassification is being requested in order to help retain our current County Engineer. Human Resources looked at comparable counties as well as the City of Klamath Falls to determine an average pay range. This reclassification would require that paygrades UF 35 and UF 36 be added to the Non-Union Salaried, FLSA Exempt salary schedule.

Attached is a copy of the wage study completed as well as the proposed salary ranges.

The reclassification would be effective May 1, 2021 and Mr. Zarosinski’s seniority date will not change.

Suggested Motion: Hereby move to approve the request to reclassify Mike Zarosinski as outlined above:

Re: **Reclassification Request – Fairgrounds**

Date Scheduled for Administrative Meeting: May 11, 2021

On behalf of Derrick Rowley, Fairgrounds Manager, we are seeking your approval to reclassify the following employees:

Employee Name/Position	Current Grade/Step	Proposed Grade/Step
Drew Patzke – Fairgrounds Maintenance Worker	UH15/Step 7 \$19.16	UH19/Step 4 \$20.43
Darren Wolfe – Fairgrounds Maintenance Worker w/CDL	UH16/Step 7 \$20.16	UH20/Step 4 \$21.46
Brendan Thorson – Fairgrounds Maintenance Worker	UH15/Step 6 \$18.36	UH19/Step 3 \$19.55

After reviewing job descriptions and comparing with other County departments, the proposed reclassifications will put the Fairgrounds Maintenance positions in line with other Maintenance positions within the County. The reclassification will also help avoid loss of trained employees and will help recruit potential new employees.

The proposed reclassifications will have a fiscal impact of \$10,283.93. The department will need to do a supplemental budget to cover the expense of the reclassifications.

The reclassifications would be effective July 1, 2021 and there will be no change in seniority date.

Suggested Motion: Hereby move to approve the request to reclassify the Fairgrounds Maintenance Staff as outlined above:

Re: **Reclassification Request – Fairgrounds Manager**

Date Scheduled for Administrative Meeting: May 11, 2021

On behalf of Commissioner DeGroot and Gregg Sherill, Fair Board Chair, we are seeking your approval to reclassify Derrick Rowley from Fairgrounds Manager (DF10) to Fairgrounds Director (DF13).

The proposed title change will put Derrick in line with other department heads.

The salary increase was recommended by MGT during the class and comp study.

The proposed reclassification will have a fiscal impact of \$12,046.13. The department will need to do a supplemental budget to cover the expense of the reclassifications.

The reclassification would be effective July 1, 2021 and Derrick's seniority date will not change.

Suggested Motion: Hereby move to approve the request to reclassify Derrick Rowley to Fairgrounds Director as outlined above:

Re: Step increase or reclassification for Robbyn Thompson

On behalf of Erik Nobel, Planning Director, we are seeking your approval to hire Robbyn Thompson as a permit clerk for Planning at LH10 Step 5 (\$15.63/hour). Ms. Thompson is scheduled to move to step 4 in June, however, a new position will change her seniority date.

Ms. Thompson has chosen to advance her career by becoming a permit clerk for planning. She will be assisting customers at the counter interpreting the land development code, and state laws to determine if the customers wish or desire meets the applicable criteria of the code, and performing a greater variety of complex tasks.

I believe Ms. Thompson has proven herself to be an outstanding County Employee and will continue working in the Planning Department where she will develop the skills to be Planner. The current Planning Staff can teach the technical skills necessary to be a Planner, but the Staff is incapable of teaching some of the most important skills: logic, being able to relate to individuals and empathy. Ms. Thompson has those intangible skills that not everyone has and because she does she will be valuable to the Planning Department. It should be noted she is currently a valuable member of the Building Department.

Another option is to hire Ms. Thompson as a Planning Trainee which is a LH 16. (LH 16 step 1 is \$17.90 per hour) The Planner Trainee position is listed in the Klamath County and Local 737 Collective Bargaining Agreement. However, this is old position that has not been used for years, no job description exists for this position. Even though in the recent past, the starting position in Planning has been a permit clerk, the depth of knowledge needed to be an effective planner is greater than a clerk. However due to the back log of application Planning is processing, there is a need to fill a position as quickly as possible. The wage of \$17.90 would increase the cost to the County by \$4,721 annually over a wage of \$15.63. Planning and HR will need to work together to develop a job description for the Planner Trainee position.

To move Ms. Thompson to step 5 would be approximately a \$1,248 increase in wages and the department has the money in their budget. To hire Ms. Thompson as a Planning Trainee, the increase in wages would be approximately \$4,721. The additional position for Planning was budgeted as a Permit Technician (LH15), however, Ms. Thompson does not yet have the certification needed to advance to a technician.

Suggested Motion: Hereby motion to approve the request to hire Robbyn Thompson as a LH 10 step 5 in the Planning Department as a permit clerk as outlined above.

Re: Department Request – Public Health Temporary Employee

Date Scheduled for Work Session Meeting: May 11, 2021

On behalf of Jennifer Little, Public Health Director, we are seeking your approval to hire Liz Vineyard as a temporary Community Nutrition Worker.

With recent and upcoming turnover in the WIC department, Ms. Vineyard will be able to support staff while they are in their training period. Ms. Vineyard has 3 years of experience as a WIC certifier and would be able to assist our current WIC staff with maintaining their workload which dictates the programs funding. Ms. Vineyard was recently laid off from Coos County due to budget constraints. She will be able to work remotely for 12 hours per week.

This position will last 60 days and will be paid at an LH14 Step 3, \$17.56/hour. In accordance with the 737 contract, Ms. Vineyard can be employed a maximum of 6 months and will not be benefits eligible.

The department has the money in their budget.

Suggested Motion: Hereby motion to approve the request to hire Liz Vineyard as a temporary Community Nutrition Worker as outlined above:
