**CHAPTER 702
ELECTRICAL CODE**

702.001 The Electrical Code. The State of Oregon Electrical Specialty Code and Administrative Rules, [1996] 2000 edition, is hereby adopted in its entirety, except as specifically set out herein, and shall be referred to in this chapter as "The Oregon Electrical Specialty Code" and is adopted in accordance with O.R.S. 479.510 through 479.990 to be effective October 1, [1996] 2000.

702.020 Fees. Subject to O.R.S. 479.845; the Building Official may from time to time recommend to the Board of County Commissioners, reasonable fees to be charged for inspections made, and permits issued under this Chapter. The Board of Commissioners may, by Order, after notice and public hearing, adopt reasonable fees to be charged, based upon costs of making inspections and measured by the time required by the inspector to perform such duties. The order setting such new fees shall specify the effective date of such charge.

~~[702.100 Issuance. The application, plans, and specifications filed by an applicant for a permit shall be checked by the Building Official. Prior to the issuance of any electrical permit, the Building Official shall require the applicant to obtain the approval of the County Planning Department and Environmental Health Department if the building is to be served by a septic tank or similar system. The Building Official may also require the approval of such other County Departments or other agencies as he deems appropriate. If the Building Official is satisfied that the work described in an application for permit and the plans filed therewith conform to the requirements of this Code, sanitation and health requirements as stipulated by the controlling agencies, and other pertinent laws and ordinances then in effect, and that the fee specified herein has been paid, he shall issue a permit therefor to the applicant.]~~

702.300 Electrical Service to Temporary Uses Prohibited.
[No] An Electrical permit shall not be issued to provide service

to a temporary use or structure. The following shall not be construed to be temporary uses or structures:

- (1) Construction sites.
- (2) Wells.
