Yamhill	800	14	17648
Total	34,511	571	667,392

1This includes cases confirmed by diagnostic testing and presumptive cases. Presumptive cases are those without a positive diagnostic test who present COVID-19-like symptoms and had close contact with a confirmed case. County of residence for cases may change as new information becomes available. If changes occur, we will update our counts accordingly.

2For additional details on individuals who have died from COVID-19 in Oregon, please [refer to our press releases](#).

3This includes cases who test negative and are not epi-linked to a confirmed case.
