Total	84,496	1,033

¹This includes cases confirmed by diagnostic testing and presumptive cases. Presumptive cases are those without a positive diagnostic test who present COVID-19-like symptoms and had close contact with a confirmed case. County of residence for cases may change as new information becomes available. If changes occur, we will update our counts accordingly.

COVID-19 hospitalizations

The number of hospitalized COVID-19 patients across Oregon decreased by 10, to 546. There are 113 COVID-19 patients in Intensive Care Unit (ICU) beds, five fewer than yesterday.

The total number of patients in hospital beds may fluctuate between report times. The numbers do not reflect admissions per day, nor the length of hospital stay. Staffing limitations are not captured in this data and may further limit bed capacity.
