Good afternoon,

We hope that this email finds you doing well and remaining healthy in these challenging times. Attached is the final report for the 2020 Klamath Freedom days and the 2020 Spring tourism grant. We feel that it is safe to say that we will not be able to host any sort of event this calendar year with the current public mandates in place, we had held out hope that we could put something together at some point. I have attached one draw down request from some marketing prep work and video production that we did early in this process before we put everything on hold. Minus that draw down request we will be returning and forfeiting \$16,500.00 back to the Klamath County Tourism grant program for future grant possibilities with our community partners.

Thank you for everything this year.
