Klamath County reports 13 new cases of COVID-19, 4 deaths

KLAMATH FALLS, Ore. – Klamath County Public Health (KCPH) officials report 13 new cases of COVID-19, and four deaths. The local case count is 2,364. Local deaths number 34.

The total case count reflects the removal of a 47-year-old female, as the case was transferred out of state.

This week's total is 105. The reporting week runs from Sunday through Saturday.

The deceased include:

- A 68-year-old man who died January 7 at Sky Lakes Medical Center. He had underlying health conditions.
- A 74-year-old man who died January 10 at Sky Lakes Medical Center. He had underlying health conditions.
- A 77-year-old man who died January 11 at his residence. He had underlying health conditions.
- An 87-year-old woman who died January 10 at her residence. She had underlying health conditions.

To protect yourself:

- Keep your distance by maintaining six feet of social or physical distancing between yourself and others.
- Wash your hands frequently with soap and water for at least 20 seconds, utilizing hand sanitizer when washing facilities are not available.
- Sanitize surfaces that are often touched.
- Avoid gatherings of any size where social or physical distancing is not possible.

To protect others around you:

- Cover coughs and sneezes.
- Stay home when sick.
- Wear a clean mask in public spaces, including outdoors when six feet of social distance cannot be maintained.
